Subject: Use of Electronic certificates on board for Ships Flying Georgian Flag

Note: This Circular replaces circular No: 3/CIRC/FSI DATED 1 FEB 2024 use of Electronic certificates on board for Ships Flying Georgian Flag

Reference

Maritime Code of Georgia;
Georgian law "On Electronic Documents and Electronic Trust Services"
IMO Circular FAL.5/Circ.39/Rev.2, Guidelines for the use of electronic certificates, adopted 20 April 2016;

1. Purpose

The purpose of this circular is to inform all concerned parties (shipowners and managing companies, Port State Control officials, ships' crews and all other stakeholders) that according to new amendments in Maritime Code of Georgia from **1st of February, 2024** use of electronic Certificates with electronic signature on flag certificates on board of all ships except ships less than 100 GT engaged in domestic navigation flying Georgian flag has been approved.

2. Background

The International Maritime Organization (IMO) guidelines, as contained in IMO Circular FAL.5/Circ.39/Rev.2 and Maritime Code of Georgia Article 32 and article 39 set out the features for electronic certificates to enable stakeholders to verify their authenticity. The guidelines are intended to alleviate the problems inherent in paper documentation and facilitate the maritime sector's move toward the use and acceptance of electronic certificates.

3. Application

3.1 The requirements apply to all ships except ships less than 100 GT engaged in domestic navigation registered in the State Ships Registry of Georgia.

3.2 Present circular takes effect from the **1st of February 2024**.

4. Statutory Certificates issued by Recognized Organizations (ROs)

4.1 A classification society recognized by the Agency in accordance with Chapter II¹ of the Maritime Code of Georgia are allowed to issue electronic statutory and class certificate and survey reports.

4.2 Electronic certificates/documents issued by the RO must conform to IMO Circular FAL.5/Circ.39/Rev2.

5. E-Certificates /documents issued by the MTA

MTA shall issue the following Electronic Certificates/documents:

- Certificate of Registry (in all its forms)

- Temporary Deletion Certificate
- Deletion Certificate
- Non encumbrance certificate
- Certificate of Insurance or Other Financial Security in Respect of Civil Liability for Oil Pollution Damage (CLC)
- Certificate of Insurance or other financial security in respect of Civil Liability for Bunker Oil Pollution Damage (BCC)
- Certificate of Insurance or other financial security in respect of Civil Liability for the death of and personal Injury to passengers (PAL)
- Any other Certificate regulated by law.

The above mentioned electronic certificates/documents are valid from **1st of February 2024**, the specimens must be posted by MTA to the IMO Global Integrated Shipping Information System (GISIS).

6. E-Certificates/E-documents requirements

6.1 All copies of a signed electronic certificate/document shall be considered as originals in accordance with the regulations under international and national legislation. An electronic document/certificate shall not have an electronic copy.

6.2 MTA electronic certificates/documents are issued via State Ships Electronic registry. The shipowner will receive mentioned certificates by E-mail from srg@mta.gov.ge.

6.3 All E-certificates/documents shall be kept on board the ship and available for inspections/Surveys at all reasonable times.

6.4 The control of electronic certificates/documents must be managed through the Safety Management System (SMS), as described by International Safety Management Code (ISM CODE).

6.5 For the Ships which are not subject to the requirements of the ISM Code, the same principles of a controlled document system have to be applied for the use of the certificates/documents.

7. Electronic Documents and Certificates Issued by the MTA – Verification

7.1 MTA electronic documents and certificates with an electronic signature shall be considered valid originals.

7.2 Electronic documents and certificates either in printed or electronic form may be verified online in two (2) ways:

- QR Code: by scanning the QR Code in your Mobile Device, and
- Verification System: through the link http://www.mta.gov.ge/index.php?m=98&parent_id=56&lng=eng by indicating all requested information from certificate.
