Dear Sir

## ELECTRONIC CLASS AND STATUTORY CERTIFICATION - ACCEPTANCE BY ISLE OF MAN SHIP REGISTRY -

Further to communication received from your offices dated 29 October 2018 and subsequently, please be advised that this Administration has reviewed the format of the following electronic statutory certificates issued by KR in accordance with the IMO's FAL.5, Circ.39, Rev.2:

- International Anti-fouling System certificate;
- International Ballast Water Management Convention certificate;
- Cargo Ship Safety Construction certificate;
- Cargo Ship Safety Equipment certificate and Form E;
- Cargo Ship Safety Radio certificate and Form R;
- Document of Compliance with the Special Requirements for Ships Carrying Dangerous Goods;
- International Air Pollution Prevention certificate;
- International Oil Pollution Prevention certificate and Forms A & B;
- International Certificate of Fitness for the Carriage of Dangerous Chemicals in Bulk;
- International Energy Efficiency certificate and supplement;
- International Certificate of Fitness for the Carriage of Liquefied Gases in Bulk;
- International Load Line certificate;
- Statement of Compliance with the International Maritime Solid Bulk Cargoes Code;
- ISM Document of Compliance (interim and full term);
- ISM Safety Management certificate (interim and full term);
- International Ship Security certificate (interim and full term);
- Maritime Labour certificate;
- Mobile Offshore Drilling Unit Safety certificate;
- International Pollution Prevention Certificate for the Carriage of Noxious Liquid Substances in Bulk.

The certificates listed above have been uploaded to the IMO's GISIS website, as applicable, to confirm the acceptance of this Administration.

In case of any question whatsoever with regard to the foregoing, please contact the undersigned.

Yours faithfully

Angus Lamming  
Principal surveyor
