Subject: (Korean Register) Inquiry on acceptance of Electronic Certificate on behalf of Sierra Leone Flag Administration.

Dear Sirs,

First of all, this society, Korean Register(KR), would like to express our sincere appreciation for your administration's dedicated efforts to enhance maritime safety and protect marine environment at all times.

We would like to inquire about the Sierra Leone Flag Administration's current stance on the acceptance of electronic certificates. We have been approached by our clients who are keen on utilizing E-certificates for their convenience and security benefits.

We, Korean Register, started replacing traditional paper certificates to electronic certificates fully compliant with the IMO FAL guidelines(FAL.5/Circ.39/Rev.2) in a secure electronic format.

Also, we are authorized to issue electronic certificates on behalf of 43 Flag Administrations(For the authorization list, refer to the web page(https://www.krs.co.kr/eng/Exclusive/eCert_List.aspx?MRID=508&URID=506))

Considering the intention of the FAL.5/Circ.39/Rev.2 which aims to reduce administrative burdens to stakeholders, we would like to ask if your esteemed Administration is planning to accept the electronic certificate issued by Recognized Organizations where they are authorized to provide statutory certification service on behalf of Sierra Leone Flag Administration.

Your affirmative consideration of this inquiry would be highly appreciated, and we look forward to your response to our email at your earliest convenience.

Faithfully yours.
