Konu: Rise 1905, KR Class Electronic certificate

Dear sirs,

In replying to your below, kindly be advised that Togo flag Administration has not any objection for the class/ro in charge (KR) of the vessel to issue e-certificates,

Meantime be informed that Messrs Korean Register (KR), already authorized to issue certificates on behalf of Togo, usually will issue either hard copy ore-certificates up to clients request

So Plz check again with the class/ro in charge of the vessel since we don't have any objection re this matter and let us know their feedback

Best Regards

Eng. Challita Trad
